## WORK EXPERIENCE

- 
- Frontend Developer** — [Renaissance Innovation Labs](#) | [Github](#) 03/2022—Present
- Contributed to a project that developed an article merger using React, Tailwind, Axios, and the OpenAI API, resulting in a 20% reduction in post-launch bug reports.
  - Maintained code quality and ensured adherence to semantic W3C standards.
  - Collaborated cross-functionally with backend developers, project managers, and UI/UX designers to integrate Figma designs and backend APIs into frontend interfaces.
  - Conducted code reviews, providing constructive feedback to enhance code quality and team collaboration.
  - Improved page load times by optimising frontend assets, leading to a 15% decrease in load times and a better user experience.

## PROJECTS

- 
- Headless HR** 02/2024
- Produced 80% of the landing page for Headless HR, using React and Tailwind CSS to create a responsive interface.
  - Implemented features showcasing AI-driven candidate matching and recruitment automation.
  - Collaborated with the backend team to integrate APIs, ensuring seamless data flow and functionality.
  - Participated in the code review of the actual product, contributing to quality assurance and performance improvements.

- EventBuddy** 10/2023
- Implemented 80% of the front-end using React and React Router, enhancing navigational efficiency.
  - Developed user authentication and registration features, increasing user registrations by 30%.
  - Managed various functions for fetching events and registrations using Axios, improving data retrieval efficiency by 25%.
  - Collaborated closely with the product manager to align project milestones with stakeholder requirements.

## SKILLS AND INTEREST

---

**JavaScript** (React, Vite.js, Next.js)  
HTML5, CSS3/Tailwind  
**Interests:** documenting and technical writing.

**version Control:** Git/Github  
**HTTP Request:** Fetch/Axios

## EDUCATION

- 
- BSc Geology** 02/2014 - 11/2019  
University of Calabar, Calabar, Nigeria  
**Dissertation:** The Determination GroundWater flow direction in Anatigha Area of Calabar South and its environs

## CERTIFICATES

- 
- Web Development - HTML, CSS, Tailwind, JavaScript, and React.js | Renaissance Innovation Labs | 01/2023 - 03/2023
  - Jobberman Softskill Training | Jobberman | 09/2021
